

**Tagline:**

The Melody App is a faster, easier way to find loops.

Short Description:

The Melody App is the quickest way to discover loops. Simply swipe left to skip, right to save and up to send.

Long Description:

The Melody App is the quickest way to discover loops. Simply swipe left to skip, right to save and up to send. No more spending hours searching through seas of sounds or needing a computer.

Key Features:

- Swipe left to skip a melody and it will not be shown again.
- Swipe right to save a melody and listen to or send it later.
- Swipe up to send a melody to yourself or others instantly.
- Filters based on instruments, vibes.

Key Benefits:

- Save time - a simple, intuitive interface makes cycling through sounds easy
- Keep the excitement going - Organized, quality sounds reduce discovery frustration, keeping the momentum and inspiration high.
- Work on the go - Mobile app make finding melodies on the go easy – anytime, anywhere.
- Made by producers who know discovery hurdles first hand.
- Top tier melodies - The Melody App's hand-picked producer group is award-winning, with grammies and multiple RIAA certified gold and platinum plaques between them. They provide the app with a range of genres that is unmatched.
- End writer's block - we all get stuck sometimes. Use the Melody app to open your creativity.
- Save money - The app is FREE to download and try and beyond that, we have plans starting at only \$3.99 per month.
